Looking Ahead to a Historic Celebration

The Village of Leland has formed an America 250 Committee to add to the wonderful Fourth of July celebrations that the Leland Town & Country Association has proudly organized for our community for many years. Looking ahead, we're planning a special three-day celebration, July 2-4, to honor America's 250th birthday and to showcase the exciting improvements to our historic downtown on Railroad Avenue. January is the perfect time to start sharing the news! We can't wait to roll out more details in the coming months, so be sure to catch future newsletters for updates!

If you have questions, concerns, or issues regarding construction or yard restoration, please call their construction team directly at 1-844-445-7873 (select options #1, then #5 from the menu).
