February 2026

On January 20, the Village of Leland hosted our second annual Stakeholders Meeting. We heard an update from Surf Internet and learned about a major future project that ComEd is planning. We also shared exciting plans for America's 250th birthday celebration coming up in July.

Each group in attendance gave an update on what's happening with their organization, and it was a great, informative meeting. It was exciting to see everyone coming together and working collaboratively on events and projects for our community.

Looking Ahead to a Historic Celebration

Plans are in place for a three-day celebration in July as Leland prepares to honor America's 250th birthday.

July 2 will focus on activities for kids and family fun.

July 3 will include a dinner and street dance with live music.

The celebration will continue on July 4 with a parade and fireworks honoring our nation's 250th anniversary.

Please watch the Village newsletter for additional details as we finalize a few remaining items.

There will be two openings available on the Planning and Zoning Board. This is a great opportunity to get involved in the Village and help with the implementation of the Comprehensive Plan while being part of an engaged and forward-thinking group. The board meets once a month. If you are interested, please contact Taunya Eckman.
