If you've ever thought about getting more involved in your community, serving in local government is a great way to have a direct role in Leland's future.

On August 7, the Village of Leland and the Leland Police Department hosted a special street sign dedication ceremony honoring former Leland Police Auxiliary Commander Greg Gilbert and his decades of service to our community.

We are thankful to Greg's family, community members, and the current and former law enforcement officers who joined us for the ceremony and helped make the evening so special.

Second Annual Faith Fest

On August 1, Emma Elder, a senior at Leland High School, along with Bethany Lutheran Church, organized Leland's second annual Faith Fest.

The evening brought people together for faith, fellowship and community. We appreciate Emma, Bethany Lutheran Church, and everyone who helped organize and support this special event right here in Leland.
